MURPHY DESK BED

DONNELL

Vertical Desk Bed

A vertical Murphy desk bed stores the bed upright, requiring less wall width. It features a 60" wide by 23" deep stay-level desk, making it an excellent choice for narrower rooms or spaces where you'd like to maximize storage with additional cabinets on either side.

Horizontal Desk Bed

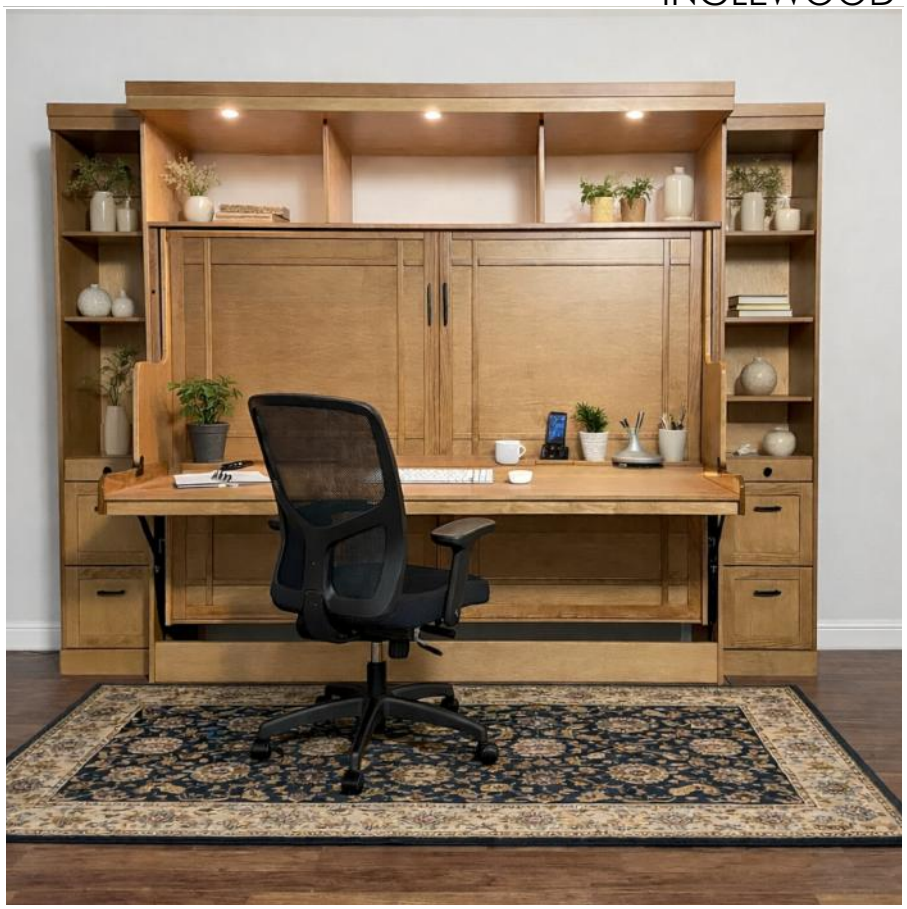

A horizontal Murphy desk bed stores the bed lengthwise, requiring more wall width. It features a larger 82" wide by 23" deep stay-level desk, providing additional workspace for larger projects, or shared work areas. It's also available without the upper shelf, making it an excellent option for rooms with lower ceilings.
